

TABLE OF CONTENTS

Test Tube Racks 2

Test Tube Racks

Laboratory tray 1 and accessories

Item number:
42000

Item No.	Dimensions	Article
42000008	approx. 35 x 25 cm	
42000016	approx. 35 x 25 x 4 cm	
42000024	approx. 21.5 cm (l), aperture approx. 38 mm Ø	
42000040	30 ml	Wide neck bottles, amber glass
42000048	50 ml	Narrow neck bottles, amber glass

[» go to product \(website\)](#)

Laboratory tray 2

Item number:
42002

Item No. 42002008

consisting of:

plastic tray no. 42000016,

rack for tubes no. 42808024,

Plexiglas® stand, no. 42002024,

2 wide neck bottles, 30 ml, no. 42000040

1 narrow neck bottle, 50 ml, no. 42000048

Item No.	Dimensions	Name
42002008	approx. 35 x 25 cm	Laboratory tray, complete
42002024	approx. 13 x 11 x 7 cm

Test tube racks without pins

Item number:
42794

one level, varnished beech wood

Item No.	Height	Length	Width (at the bottom)	for	for tubes up to
42794001	120 mm	230 mm	55 mm	6 tubes	approx. 22 mm Ø
42794002	200 mm	230 mm	75 mm	12 tubes	approx. 22 mm Ø
42794013	180 mm	270 mm	55 mm	6 tubes	approx. 30 mm Ø

[» go to product \(website\)](#)

Test tube racks for 6 tubes, without pins

Item number:
42795

one level, varnished beech wood

Item No.	for tubes up to
42795010	approx. 18 mm Ø

[» go to product \(website\)](#)

Test tube racks for 12 tubes, without pins

Item number:
42796

double level, varnished beech wood

Item No.	for tubes up to
42796010	approx. 18 mm Ø

[» go to product \(website\)](#)

Test tube racks, for 18 tubes, without pins

Item number:
42797

double level, varnished beech wood

Item No.	for tubes up to
42797010	approx. 18 mm Ø

[» go to product \(website\)](#)

Test tube racks for 24 tubes, without pins

Item number:
42798

double level, varnished beech wood

Item No.	for tubes up to
42798010	approx. 18 mm Ø

[» go to product \(website\)](#)

Test tube racks for 6 tubes, with 6 pins

Item number:
42800

one level, varnished beech wood

Item No.	for tubes up to
42800010	approx. 18 mm Ø

[» go to product \(website\)](#)

Test tube racks for 12 tubes, with 6 pins

Item number:
42801

double level, varnished beech wood

Item No.	for tubes up to
42801010	approx. 18 mm Ø

[» go to product \(website\)](#)

Test tube racks for 18 tubes, with 9 pins

Item number:
42802

double level, varnished beech wood

Item No.	for tubes up to
42802010	approx. 18 mm Ø

[» go to product \(website\)](#)

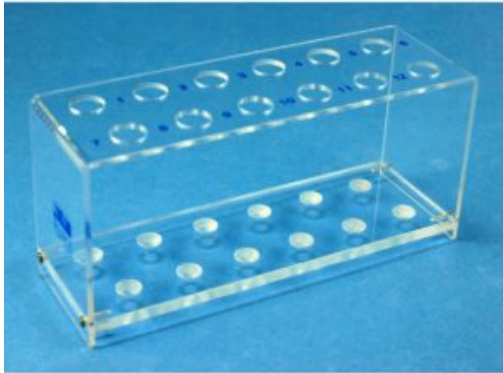

Test tube racks for 24 tubes, with 12 pins

Item number:
42803

double level, varnished beech wood

Item No.	for tubes up to
42803010	approx. 18 mm Ø

[» go to product \(website\)](#)

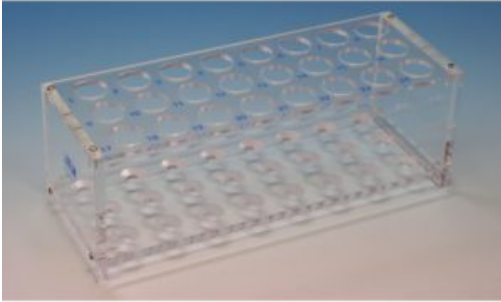

Test tube racks made of plexiglas® for 12 tubes up to approx. 13 mm Ø, without pins

Item number:
42807

with numbered holes, one level

Item No.	Length	Width	Height
42807010	approx. 164 mm	approx. 55 mm	approx. 76 mm

[» go to product \(website\)](#)

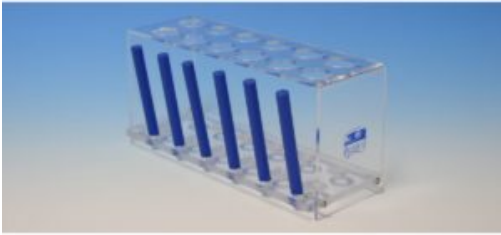

Test tube racks of plexiglas® for tubes up to approx. 18 mm Ø, without pins

Item number:
42808

with numbered holes

Item No.	for	Length	Width	Height
42808006	6 tubes	approx. 165 mm	approx. 55 mm	approx. 75 mm
42808012	12 tubes	approx. 164 mm	approx. 55 mm	approx. 76 mm
42808024	24 tubes	approx. 220 mm	approx. 80 mm	approx. 79 mm
42808033	33 tubes	approx. 310 mm	approx. 80 mm	approx. 80 mm

[» go to product \(website\)](#)

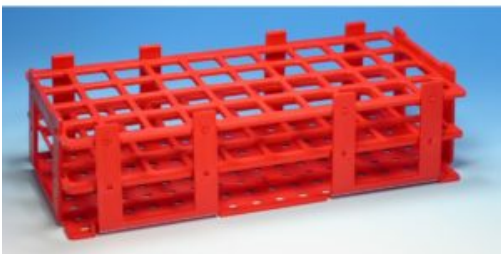

Test tube racks made of plexiglas® for 12 tubes up to approx. 18 mm Ø, with 6 pins

Item number:
42809

Item No.	Length	Width	Height
42809012	approx. 165 mm	approx. 70 mm	approx. 75 mm

» [go to product \(website\)](#)

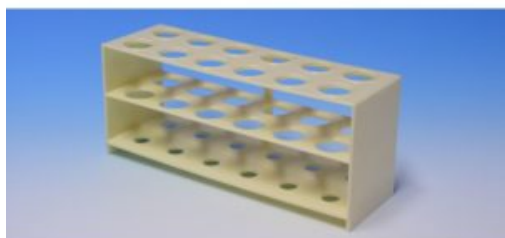

Test tube racks made of polypropylene

Item number:
42813

Stackable, alphanumeric markings, autoclavable at +121 °C/
+249.8 °F, permanently -20 °C/-4 °F to +90 °C/+194 °F,
suitable for water baths

Item No.	Ø	Dimensions	for	Colour
42813113	13 mm	265 x 126 x 75 mm	6 x 14 tubes	blue
42813118	18 mm	265 x 126 x 75 mm	5 x 11 tubes	blue
42813120	20 mm	265 x 126 x 75 mm	4 x 10 tubes	blue
42813125	25 mm	265 x 126 x 88 mm	4 x 8 tubes	blue
42813130	30 mm	265 x 126 x 88 mm	3 x 7 tubes	blue
42813313	13mm	265 x 126 x 75mm	6 x 14 tubes	red
42813318	18mm	265 x 126 x 75mm	5 x 11 tubes	red
42813320	20mm	265 x 126 x 75mm	4 x 10 tubes	red
42813325	25mm	265 x 126 x 88mm	4 x 8 tubes	red
42813330	30mm	265 x 126 x 88mm	3 x 7 tubes	red
42813413	13mm	265 x 126 x 75mm	6 x 14 tubes	white
42813418	18mm	265 x 126 x 75mm	5 x 11 tubes	white
42813420	20mm	265 x 126 x 75mm	4 x 10 tubes	white
42813425	25mm	265 x 126 x 88mm	4 x 8 tubes	white
42813430	30mm	265 x 126 x 88mm	3 x 7 tubes	white

Test tube racks made of polystyrene

Item number:

42814

One level, without pins

Item No.	for tubes up to
42814010	approx. 20 mm Ø

[» go to product \(website\)](#)

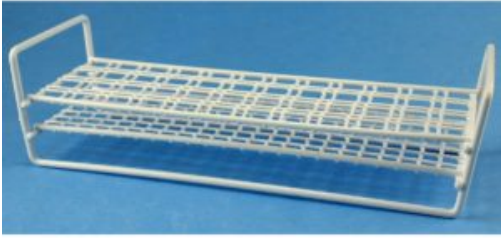

Test tube racks made of plastic-coated wire, white

Item number:
42815

for test tubes or centrifuge tubes

Item No.	for	for tubes up to	Height
42815012	12 tubes (3 x 4)	approx. 17 mm Ø	approx. 8 cm
42815024	24 tubes (4 x 6)	approx. 17 mm Ø	approx. 8 cm
42815048	48 tubes (4 x 12)	approx. 17 mm Ø	approx. 8 cm
42815248	48 tubes (4 x 12)	approx. 12 mm Ø	approx. 4 cm

[» go to product \(website\)](#)

Test tube rack made of plastic-coated wire, for 48 (4 x 12) reaction tubes

Item number:
42818

with handles

Item No.	Height
42818010	approx. 4 cm

[» go to product \(website\)](#)

Multi tube racks made of polyoxymethylene

Item number:
42822

Variable by 4 flexible holding areas, suitable for tubes 12 mm Ø up to 30 mm Ø (5 ml up to 50 ml), stackable, autoclavable +121 °C/+249.8 °F, dimensions approx. 181 x 56 x 76 mm, different colour combinations possible
Packing unit: 2 pieces

Item No.	Colour
42822003	blue/green
42822005	blue/yellow
42822007	pink/white
42822013	blue/blue
42822015	white/white
42822017	pink/pink
42822019	yellow/yellow
42822021	green/green

[» go to product \(website\)](#)

Cube racks

Item number:
42824

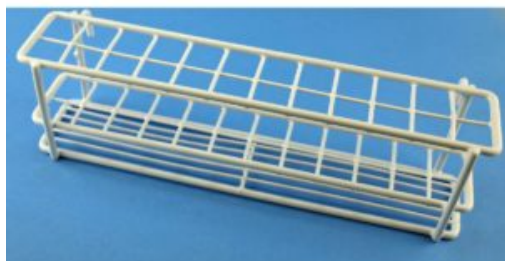

Cube racks (combo racks), made of heavy duty polypropylene, autoclavable, suitable for centrifuge tubes, test tubes and reaction tubes, combine by interlocking on all sides, transporting different sized test tubes at once is no problem

The four different sides are equippable with:

4 centrifuge tubes 50 ml = bore diameter 30 mm
10 centrifuge tubes 15 ml = bore diameter 17 mm
12 test tubes L 75/100 mm = bore diameter 12 mm
16 reaction tubes 1.5/2.0 ml = bore diameter 13 mm

Item No.	Dimensions	Box	Colours
42824010	108 x 113 x 113mm	5Pieces	blue, green, pink, yellow, orange

[» go to product \(website\)](#)

Test tube racks made of wire for 24 (2 x 12) test tubes or centrifuge tubes

Item number:
44131

plastic-coated

Item No.	for tubes up to	Dimensions
44131010	approx. 17 mm Ø	approx. 25 x 5 x 7 cm

[» go to product \(website\)](#)

Dishes made of melamine, white

Item number:
49064

Stackable

Item No.	Dimensions
49064001	approx. 35 x 25 x 4 cm
49064002	approx. 29 x 16 x 3.5 cm

[» go to product \(website\)](#)

Disposal boxes made of polypropylene

Item number:
49070

Sharps disposal box with cover, for used needles and clinical sharps, according to UN regulation

The UN examination includes:

- emission test
- GS test (meets safety requirements in accordance with German Equipment and Product Safety Act)
- license for the transport of infectious waste
- filling mark
- cover with incorporated closures

Item No.	Capacity
49070002	1.8 litres
